1 Purpose

Housing Choices Australia welcomes feedback and complaints from our customers and stakeholders, and we are committed to providing a fair and transparent process for receiving and responding to feedback and complaints about our services, actions, and decisions.

This policy aims to ensure that we handle feedback and complaints fairly, efficiently, and effectively so that we:

- Have easy and accessible options for providing feedback and complaints;
- Respond to issues raised in feedback and complaints in a consistent, timely, fair, and reasonable way;
- Use information provided through feedback and complaints process to improve our services;
- Maintain a register of feedback and complaints and report on outcomes.

Housing Choices has a regulatory and legislative responsibility to ensure we are delivering safe and quality services and feedback and complaints are an important contributor to this.

2 Scope

This policy applies to our residents, clients, household members, neighbours of our residents, housing applicants, service delivery partners, maintenance contractors, stakeholders and members of the community impacted by our services.

This policy applies to feedback or complaints relating to services provided by our staff or maintenance contractors, the decisions we have made, or the way we have handled feedback and complaints.

This policy does not cover:

- Issues with the behaviour of residents or neighbours which are handled under the Good Neighbour Policy. However, an issue with the way we have handled a neighbour dispute or anti-social behaviour may be lodged as a complaint under this Feedback and Complaints Policy;
- Matters beyond the control of Housing Choices such as the lack of available housing where we would redirect people to the most appropriate services;

- Actions under the Fraud, Corruption and Misconduct Prevention or Whistleblower Policies;
- Actions handled under the Appeals Policy;
- Compliments; and
- Some elements of complaints handled by an external party.

3 Policy Statement

We respect and value feedback and complaints about our products, services, staff, and complaint handling. Feedback and complaints provide an opportunity to address service issues and provide valuable information for continuous improvement.

Feedback and complaints provide a review process for people who feel they have been disadvantaged by our actions or decisions in relation to the services we provide and helps us to nurture relationships between Housing Choices and our residents, partners, and stakeholders.

There is no time limit on when feedback or a complaint can be raised. We understand that complaining can be difficult and will support complainants to make their issue known and work to resolve it in a way that is comfortable for the person making the complaint.

3.1 PRINCIPLES

- We will ensure that people are listened to, treated with respect, and actively involved in the process where possible and as appropriate.
- We accept feedback and complaints in a variety of ways, including from recognised representatives such as carers or advocates (with consent) and we will arrange interpreter services if required.
- We will ensure that information on how to provide feedback or make a complaint is readily available, easy to understand for everyone and includes information on how to access relevant external authorities or advocacy services. This policy and an Easy English brochure are made available on our website.
- We will respond to feedback and complaints efficiently and objectively, ensuring principles of procedural fairness are adhered to.
- We will ensure that the person handling feedback or a complaint is different from the staff member/s whose conduct or service is involved in the issue.
- Conflicts of interest, whether actual or perceived, will be managed responsibly.
- We recognise that many people may feel insecure and vulnerable and at times may feel reluctant to exercise their right to provide feedback or make a complaint. We will take all reasonable steps to ensure that people are not adversely affected because a complaint has been made by them or on their behalf.
- We will consider deferring any actions that might have significant detrimental impact on someone who makes a complaint (such as possession action) until the complaint has been finalised.
- All information will be treated as confidential in accordance with our Privacy Policy. Personal information will not be divulged to a third party without the permission of the complainant unless we have a duty of care to do so. We accept anonymous feedback and complaints and will carry out an investigation where there is enough information provided to do so.
- We will approach feedback and complaints without assigning blame and with the objective of reaching a mutually acceptable outcome. A complaint may be withdrawn at any time; however, we will ensure this has not been done under duress.
- We will always provide an outcome and the reason for our decision.

- The outcome of feedback and complaints will be used to support our continuous improvement and how we can improve our services.

When providing feedback or making a complaint, people will be:

- Provided with information about our complaint handling process and how to access relevant external authorities;
- Listened to, treated with respect, and actively involved in the process where possible and as appropriate;
- Provided with access to advocacy and support services as required; and
- Provided with an outcome and the reasons for our decisions, with options for redress or review.

4 Definitions

4.1 WHAT IS FEEDBACK?

Feedback is any comment or advice in relation to our products, services or decisions, whether positive or negative, that is provided without the expectation of a response or resolution. Examples may include a letter outlining an experience, or responses to a survey.

Feedback may be escalated to a complaint later if our services have not improved. There is no requirement to give feedback prior to making a complaint.

4.2 WHAT IS A COMPLAINT?

A complaint is an expression of dissatisfaction made to or about Housing Choices products, services, staff, or the handling of a complaint, where a response or resolution is explicitly or implicitly expected or legally required.

4.3 WHAT IS AN APPEAL?

An appeal is a request to review a decision made by Housing Choices or the outcome of a complaint.

5 How to lodge feedback and complaints

Feedback and complaints can be provided in the following ways and will be accepted via an authorised representative, carer support person or advocate where we have consent.

- In person;
- In writing;
- By phone;
- By email to complaints@hcau.org.au;
- By completing a form on our website.

There is no time limit on when feedback or a complaint can be raised.

6 Responding to feedback and complaints

6.1 RESPONSIVENESS

We will acknowledge receipt of feedback and complaints within 2 business days.

Feedback and complaints will be assessed and prioritised in accordance with the urgency and/or seriousness of the issues raised. If a matter concerns an immediate risk to safety or security the response will be immediate and escalated appropriately. If there is not an immediate risk, we aim to review and respond to a complaint within 30 business days.

Feedback and complaints are managed through a six-stage process to ensure a consistent and thorough approach is applied. This process is comprised of the following elements;

1. **Listen** to the issue
2. **Acknowledge** receipt of the feedback or complaint
3. **Review** the facts and circumstances independently and objectively
4. **Collaborate** with the complainant to find an appropriate remedy
5. **Act** on the agreed plan to achieve remedy
6. **Communicate** the outcome to the complainant and any improvements that have or will be made.

We are committed to keeping people informed as soon as possible of the following:

- Our feedback and complaints process;
- The expected timeframes for resolving complaints;
- The progress of the complaint and reasons for any delay;
- Opportunities to provide feedback through the process; and
- The possible or likely outcome of the feedback or complaint.

We will advise people as soon as possible if we are unable to address any part of their concern and provide advice about where such issues and/or complaints may be directed (if known and appropriate).

6.2 CONFIDENTIALITY

We will protect the identity of people providing feedback or making complaints where this is practical and appropriate. Personal information that identifies individuals will only be disclosed or used by Housing Choices as permitted under the relevant privacy laws, and for the purposes of addressing the complaint and any follow up actions.

6.3 COMPLAINANT INVOLVEMENT

We will consult with the complainant to ensure our intended actions meet expectations.

Where possible complainants are invited to suggest outcomes and goals to further encourage mutual understanding of the issue being raised and how we can improve.

Any conduct by complainants that is deemed inappropriate or unreasonable may be handled under the Managing Unreasonable Complaints or Complainant Conduct Policy.

6.4 COMPLAINTS INVOLVING MULTIPLE AGENCIES

Where feedback or a complaint involves multiple organisations, we will work with the other parties where possible, to ensure that communication with the person and/or their

representative is clear and coordinated. Subject to privacy and confidentiality considerations, communication and information sharing between parties will also be organised to facilitate a timely response. When similar feedback or complaints are made by related parties we will try to arrange to communicate with a single representative of the group.

Complainants will be informed when external authorities are required. The following complaint types may require reporting to external authorities;

- Notifiable privacy breach;
- Reportable/notifiable incidents including abuse of children and young people, or vulnerable people;
- Reportable incidents under the NDIS Quality and Safeguarding Commission; and
- Criminal activity.

7 Reporting requirements

Housing Choices reports on the performance of our complaints management and resolution systems to our regulators and in our annual report and we will use this data to continually improve our business.

8 Reportable/notifiable incidents

If feedback or a complaint includes information that someone has been or may be hurt or is at risk, this will be dealt with in a manner that ensures everyone's safety and may involve reporting to the Police or other authorities.

9 NDIS participants residing in Specialist Disability Accommodation (SDA)

Housing Choices are a registered provider with the NDIS to provide Specialist Disability Accommodation (SDA) for participants of the NDIS. Complaints received related to SDA will be referred to the Specialist Housing Group. As per the NDIS Quality and Safeguards Framework, complaints and concerns will be accepted from:

- Participants and/or their families;
- Individual workers and providers;
- Advocates and Community Visitors;
- Professionals; and
- Members of the community.

The Specialist Housing Group will ensure each resident is provided with easy to understand information on how to give feedback or make a complaint, including the right to make a complaint to the NDIS Quality and Safeguard Commission and the right to access advocates.
